RESORT OVERVIEW

Since 1896, The Breakers has enjoyed international acclaim. Set amidst 140 acres of breathtaking oceanfront property, the resort offers an extensive range of services and amenities. Today, guests enjoy a stunning tropical landscape featuring a myriad of magnificent, new amenities and experiences designed to complement the half-mile private beach and the resort's existing Mediterranean-style Beach Club with its three oceanside pools - lap pool, main pool and children's pool, and whirlpool spa. The beachfront setting offers guests a heightened sense of luxury and tranquility and even more magnificent vistas. New garden pathways lead to a beautiful layout of intimate spaces, pools, and a premium collection of private beach bungalows – "the ultimate cabana" – available for daytime rental.

The Breakers boasts two 18-hole championship golf courses, 10 tennis courts, a variety of water sports, and an extensive program of family and children's activities. Contact resort headquarters for watersports, featuring Scuba, snorkeling, coral reef tours, deep sea fishing, kayak excursions, boogie board rentals and swimming lessons. In addition to Beach Club water sports and aforementioned activities, other leisure amenities for all ages include: jogging trail, children's playground, historical hotel tour, croquet, outdoor sports court, bicycle rental and tours. Contact the Coconut Crew Children's Camp for babysitting services.
